	Comment. The troops which, on 3 October, entered the Artillerie	
	Kaserne probably were the elements of the 6th Gds Mecz Div which, on the	
	same day,	,50X1-HUM
	coming from the maneuver area north of Berlin.	0 ' /
	Weapons observed indicate that the shipments involved units of the 17th Mecz Regt and the 240th Gds Mort Regt carried in the Artillerie Kaserne	GCS
	the units, thus, can be confirmed in Eberswalde until 3 October. The	j
	unloaded tanks which belonged to the	COV4 1111N

	tends to indicate that the units of the division, except for elements	
	employed in Berlin, definitely occupied their winter quarters.
